Aspen Men's Conference 2017

Men@Work: Fulfilling Your Work-Life Call

Crossroads Church in Aspen, CO is hosting the 11th annual Aspen Men's Conference in Aspen, Colorado. At our core, as men, we are wild. We test ways to set ourselves free and try different ways to find our true and individual identity. God, who designed us in this way, uses circumstances in our everyday lives to bring us closer to Him. He uses our understanding of one's self to help us establish our true identity. During this retreat, we will learn about our true calling and how we can be set free.
